## St. Clare's Mercy Hospital

# Vascular Lab

Fall 2019

## ABOUT

- A new electronic referral process for the Vascular Lab at St. Clare's Mercy Hospital
- Available through the provincial electronic health record - HEALTHe NL
- Works toward removing the traditional faxed process to optimize patient care
- Submit an electronic referral and schedule Vascular Lab testing in minutes

## BENEFITS

Reduces duplicate testing

Improves patient outcomes

Facilitates access to care

Decreases wait times

Supports clinical decision-making

Works to remove the traditional faxed process

Utilizes HEALTHe NL

Prioritizes patient interventions

Increases patient safety

Scheduling at point of care
