Appropriate use of HEALTHe NL

Privacy and security details to keep in mind when using HEALTHe NL ...

Patient information on HEALTHe NL must only be accessed by the patient's health care team for:

- the purpose of providing or assisting in providing health care to the patient; or,
- as authorized by Newfoundland and Labrador Centre for Health Information (NLCHI).

To use HEALTHe NL for any other purpose, such as research, evaluation, or quality assurance, you must contact InfoRequests@nlchi.nl.ca.

You may not share or use another person's login credentials to access HEALTHe NL. Contact service@nlchi.nl.ca to request additional access credentials or to make changes to your account.

You must report all real or suspected breaches of personal health information or **eHealth Systems Terms and Conditions** to the NLCHI Privacy Team privacy@nlchi.nl.ca.

**This protocol is applicable to all users of all systems operated by NLCHI.*
